**MIDDLE SCHOOL SCIENCE TEACHER (effective August 2017)**

Ruffing Montessori School, an independent, co-educational school serving children 18 months through 8<sup>th</sup> Grade, in Cleveland Heights, Ohio, is seeking a bright, energetic, and collaborative individual to serve as teacher of science in the Middle School. Founded in 1959, Ruffing is the second oldest Montessori school in the United States and is an established leader in the field of Montessori education.

Reporting to the Director of Middle School, the next Science Teacher will teach approximately 55 students in seventh and eighth grades, serve as an advisor, and collaborate with colleagues to develop and implement programming aligned with Ruffing's culture, philosophy, and values.

The ideal candidate will have a strong academic background in science, experience working with middle school students, and a demonstrated commitment to educating the whole child. Most of all, the successful candidate will demonstrate keen enthusiasm and appreciation for Ruffing's mission.

Interested candidates are encouraged to send a letter of interest, current resume, and list of references to [employment@ruffingmontessori.net](mailto:employment@ruffingmontessori.net). Materials will be reviewed as received and initial interviews will begin immediately, with next steps in the process to follow quickly.
