

Columbus School for Girls

Middle and Upper School Computer Science Teacher Effective Fall 2017

Columbus School for Girls (CSG) is an independent day school in Columbus, Ohio, founded in 1898, serving diverse students in grades pre-k through grade 12. CSG empowers girls to discover their distinct potential as learners and leaders. As a leader in the education of girls and young women, it is a vibrant community of more than 565 students, 135 faculty and staff, and 2,500 active alumnae. CSG's 8-acre academic campus in the beautiful Bexley neighborhood is a ten-minute drive from downtown Columbus, a city bustling with artistic, civic, and shopping experiences. Having just completed a strategic plan to guide the School's direction over the next several years, CSG offers an exceptional, student-centered academic experience with strong offerings in the arts, an impressive athletic program, and a health and wellness curriculum that is unique in Central Ohio. This combination of academics and skills ensures that CSG students will be well prepared for life beyond CSG.

Columbus School for Girls seeks to hire an energetic and creative full-time **Middle and Upper School Computer Science teacher** to begin in the 2017-2018 academic year. CSG offers a competitive salary, benefits, and professional opportunities and welcomes candidates who add to the racial, cultural, religious, and gender diversity of the school community.

Major Functions and Responsibilities:

- Teach Middle School technology and computer science quarter classes to sixth, seventh, and eighth grade students
- Teach ninth grade Media Design classes and Upper School computer science classes
- Oversee the One Laptop per Child Program, including May travel
- Coach Middle School Lego League team
- Participate actively in the life of the school, including leading clubs and/or activities, chaperoning school trips, and possibly coaching.

Experience, Characteristics, Qualities:

- Minimum of Bachelor's degree in Computer Science or a closely-related discipline; Master's degree preferred in an applicable area of academic focus
- Strong candidates will have at least three years of classroom experience, preferably at an independent school
- An understanding of the value of an all-girls education and the eagerness to learn about the best ways to help young women of promise to reach their full potential as learners and leaders
- Excellent communication skills, a genuine appreciation of adolescents, a sense of humor, and the ability to work well within a diverse, collaborative environment

Interested candidates should submit a cover letter outlining their interest in and qualifications for this specific position and a resume in a single Word document to:
