

## **Maumee Valley Country Day School**

**Position Opening:** Upper School Science/Math Teacher

**Type:** Full time faculty

**Application Deadline:** Until filled

**Start Date:** August 10, 2020 (first day with students August 20, 2020)

Maumee Valley is a community of lifelong learners. A Maumee Valley education is Personal, Experiential, and Global. As the only secular, PS-12 independent school in northwest Ohio, Maumee Valley supports an accomplished and diverse student body within a rigorous academic program on their journey to finding the right fit for college and career. Maumee Valley Country Day School's mission is to enable students to become enlightened, compassionate and contributing citizens of our global community while preparing graduates for their best opportunities in higher education. Maumee Valley's long-standing commitment to experiential education remains a hallmark of a student's experience, where each student is guided through a personal journey carefully constructed in partnership with faculty advisors. Students come from all walks of life and all over the world where diverse learners, voices, stories, and experiences are heard in order to empower and educate our community members.

### **UPPER SCHOOL MATH/SCIENCE TEACHER**

A Maumee Valley teacher is a guide who orchestrates learning for students in ways that are engaging, challenging and relevant. The successful candidate is a resourceful and innovative teacher who utilizes a range of pedagogical techniques in order to reach all learners. All learners will feel safe, respected and confident in the environment created by this candidate. We ask all of our teachers to do the following:

- Fully embrace [MV's mission](#), the [MV2020 Vision](#), and the [portrait of an MV graduate](#)
- Recognize and embrace [Diversity](#)
- Place student needs at the center
- Work collaboratively
- Personalize instruction
- Organize learning around experiences
- Structure learning to make global connections

### **Key Responsibilities and Duties:**

- Teach a full load of high school level courses, in the mathematics and science departments
- Manage a student load of between 60 and 80 students
- Nurture and support an advisee group of between 8 and 12 students
- Participate in the life of the school by attending athletic, arts, fundraising, and other school events
- Chaperone school functions, such as dances and school trips as needed
- Participate on committees and task forces as needed

- Mentor student clubs and activities as needed
- Maintain open lines of communication with students, parents, and colleagues

**Skills and Competencies:**

- Sense of humor and demonstrated success working with teenagers
- Ability to teach a range of high school mathematics classes from 9th grade to Advanced Placement
- Ability to teach a range of high school science physical science classes
- Flexible and adaptable
- Familiarity with experiential education
- Ability to differentiate instruction
- Experience developing innovative curriculum with a backward design framework, such as Understanding by Design
- Ability to collaborate within and between departments to emphasize interdisciplinary learning
- Able to maximize advantages of a technology rich teaching environment

**Credentials:**

- Bachelor's Degree in relevant field required

**Background check:**

All Maumee Valley employees and volunteers must agree to a comprehensive background check.

**HOW TO APPLY:**

**Please email your documents in PDF format to [hr@mvcds.org](mailto:hr@mvcds.org).**

**Documents needed: MVCDS Application, cover letter, resume, and three written professional letters of reference, and a copy of college transcripts.**

**Please use the title of the position in the subject line of your email.**
