

DAY SCHOOL TEACHING RESIDENCY

HathawayBrown 

## **Penn Fellows Program at Hathaway Brown School**

**Math and/or Computer Science**

### **Overview**

Hathaway Brown School will appoint a recent college graduate interested in pursuing a career teaching Math and/or Computer Science as a Penn Teaching Fellow beginning the next school year.

The two-year program enables Fellows to earn an M.S.Ed. from the University of Pennsylvania through a teaching residency in the Upper School Computer Science and Math departments at Hathaway Brown School in Shaker Heights, Ohio.

### **Learn to Teach by Teaching**

With the guidance of faculty mentors, Penn Fellows participate in the full life of the school and build the skills to design and sustain exceptional learning environments as teachers.

Fellows teach two classes at Hathaway Brown, and are involved in two seasons of coaching a team sport, or the equivalent in advising an extracurricular activity. Fellows work closely with a highly experienced teacher and will be involved in a range of unique and inspiring professional development opportunities.

## **A Powerful Cohort and Relevant Coursework**

Fellows participate in regular seminars at the University of Pennsylvania and will join a cohort of dedicated educators in a collaborative learning community, involving 20-25 Fellows in a dozen other independent day schools. The two-year program involves summer work and three weekend sessions at Penn and other independent schools in the consortium each year, as well as online work with the cohort of Fellows from other schools throughout the year.

## **Details**

Additional components include: salary, housing stipend, health insurance, and tuition contribution by Hathaway Brown.

Through participation in the program, Fellows combine classroom experience and a deep understanding of pedagogy, developing a foundation for exceptional practice and leadership in the teaching field.

The program begins with a week of coursework at Penn in June, then continues at HB beginning August 2020.

## **Learn More**

## **To apply**

To apply, candidates are asked to submit the following to [hrstaffing-fellow@hb.edu](mailto:hrstaffing-fellow@hb.edu) (*Note: applications will not be considered until all of the following have been submitted*):

- letter of interest
- resume
- academic transcript from undergraduate institution
- one letter of recommendation
- list of a minimum of three references (share relationship to you, email and phone contact information for each reference)

Upon being offered a position at Hathaway Brown—but only then—the applicant will apply directly to the University of Pennsylvania Graduate School of Education. (Applications submitted to GSE without a recommendation from a partner school will not be considered). Hathaway Brown will provide support for this process.

## **About Hathaway Brown School**

Hathaway Brown is a dynamic and compassionate community dedicated to excellence in the education of girls. Hathaway Brown has a rich 144-year history of educating and empowering girls. As Ohio's oldest continually operating college-preparatory school for girls, HB has earned a reputation for academic excellence and innovation in the region and across the country. Home of the signature Institute for 21st Century Education, Hathaway Brown has long been devoted to a fusion of cutting-edge curriculum and experiential learning. Our approximately 870 students and 225 faculty and staff come to Hathaway Brown from 89 different communities in Northeast Ohio, and enjoy a stunning 16-acre campus in Shaker Heights, Ohio - just minutes from the cultural attractions of downtown Cleveland. Hathaway Brown attracts a student body noted for its academic ability and diversity. An equal opportunity employer, the school especially encourages applications from candidates of color.
