

**Position Type:** Science Teacher

**Location:** Beachwood, Ohio

**Date Available:** 08/17/20

**Minimum Qualifications:** Graduate degree in Education or a related field is required. At least three years of experience teaching elementary or middle school Science.

The science teacher should demonstrate a passionate and energetic commitment to the Joseph and Florence Mandel Jewish Day School's mission and vision. Experience with substantive curricular work, creative problem solving, team building, and a collaborative approach is essential. The teacher should be thoroughly familiar with recent developments in education in order to assess and implement a high-quality program.

Responsibilities include:

- Teaching science in grades 4-6
- Serving as an advisor and overseeing the academic and social growth of 10 advisees
- Serving on a grade-level team to plan, develop, and assess interdisciplinary units, project-based learning, and integrated programs
- Serving as a productive member of the Science Department
- Engaging in school life and other duties as assigned

Joseph and Florence Mandel Jewish Day School, a private school, develops ethical leadership, confident critical thinking, and a lifelong love of learning. By integrating superior general academics and Judaic studies, Mandel JDS achieves academic excellence in a nurturing, welcoming environment that engages and teaches to the whole child.

Mandel JDS is currently looking for a Science teacher. If you would like to be considered for the position, please send a resume and cover letter to Kim Favor (Middle School Director) at [kfavor@mandeljds.org](mailto:kfavor@mandeljds.org).
