Reposting date: August 24, 2020 - On-going

We are in need of Substitutes, Infants-12th grade

Hathaway Brown School

www.hb.edu

On top of being an amazing school, Hathaway Brown is an amazing place to work. Ask our faculty what they like best about HB, and you might hear comments about on-site child care, yoga and fitness classes for employees, monthly chair massages offered by an HB alumna, the fabulous lunches served every day in our beautiful dining hall, or about the myriad professional development opportunities for employees. You may hear how employees are encouraged to dream big, try new things and to make the most of themselves as educators and human beings.

But what you'll hear again and again is how much the faculty enjoy the passion and perseverance of the students and how much they enjoy being surrounded by some of the brightest, friendliest, hardest working people anywhere. The perks of this place make you want to check it out; the nurturing and intellectual nature of the community makes you want to stay for decades.
