

Middle & Upper School Math Substitute Teacher

Andrews Osborne Academy is seeking an experienced Math Teacher for a long term substitute position during the Spring semester of the 2022-2023 school year. This is a full time position (at 80%, equivalent to 4 courses) and the ideal candidate would have experience teaching Math to students in grades 7-10.

The successful candidate must possess the interest and energy to thrive within a lively workplace, a genuine appreciation of children and adolescents, a sense of humor and the ability to work in a highly collaborative and collegial environment, as well as be comfortable incorporating the use of various technologies to support student learning.

Duties and Responsibilities:

Key duties for faculty members include classroom instruction, effective communication with students, parents and colleagues.

Teach Math courses to students in the Middle & Upper Schools

Flexibility, optimism, creativity, high expectations, and growth mindset

Enthusiastic involvement in the school community outside the classroom

Proven positive working relationships with colleagues, students and families

Excellent communication skills, both written and oral

Qualifications:

Bachelor's degree at a minimum

Teaching experience at the Middle School and/or Upper School Level

References should speak to an applicant's ability to be a dynamic teacher, to be professional, creative, and innovative in implementation of school programming

Contact Info:

Interested candidates should email a letter stating their interest in the position as well as a current resume. Email only (no phone inquiries) to Middle School Director, Tasha Thompson, tthompson@andrewsosborne.com
